If dining dollars were utilized, charges will be based on the actual expenditures through the cancellation date.

TERMS AND CONDITIONS:

- Access to the meal plan is through use of the RAM ID card at the cashier station of the dining hall or retail site. **NO RAM ID CARD, NO MEAL!** Replacement card fee for lost, stolen or damaged ID card is \$10 per card.
- Contracts received and paid in full will be processed and activated within three business days of receiving the contract. If payment is via cash/debit/credit card, the receipt must be presented to the meal plan office to verify the meal plan has been paid in full before activation can occur.
- Meal plans have an expiration date. The meal plan expires at the end of the semester in which it is purchased. Any unused meal swipes will be forfeited. Meal swipes and dining dollars DO NOT carry forward to the next semester. A new meal plan must be requested each semester, if desired.
- Students may purchase additional dining dollar plans throughout the semester. Any unused dining dollars remaining at the end of each semester are refunded within 30 days from the last day of the semester with the following exceptions. Unused dining dollars will be refunded if the balance is less than the incentive added to the plan but greater than \$10. Example: purchased \$150 but received \$170. Unused balance is \$5.
